

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: April 10, 1995

SUBJECT: **HB 207 - SB 1351**

This bill, if enacted, will require the Department of Human Services to publish posters twice a year with the pictures of 10 child support obligors who are delinquent in their support payments. These posters will be displayed at all Department of Human Services offices, welcome centers and state rest stops and other buildings by written permission. The department is required to mail a notice by regular mail to each obligor's last known address, and the obligor can avoid being placed on the poster by making a payment.

The fiscal impact from enactment of this bill is estimated to be an increase in recurring state expenditures of \$38,000 and one-time state expenditures of \$13,600, of which \$22,700 will be state funds. It is also estimated that enactment of the bill will result in an increase in state revenue from additional child support collections. A reasonable estimate of the increased revenue cannot be determined but is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

James A. Davenport, Executive Director
